

Animals

cíl: pochopení popisu zvířete

Možnosti her:

1. Na krále: děti stojí, učitel vyvolá dvě z nich a popisuje nějaké zvíře, např. It is a farm animal, it gives us milk. Kdo z dětí dříve řekne „a cow“ zůstává stát, druhé dítě si sedne. Pokračujeme dál, až zůstanou tři děti stát – a ty odměníme (plus, žolík, bonbon)
2. na tabuli napsat místo slova A GIRAFFE čárky a popisovat toto zvíře – you can see it in a ZOO, and this animal lives in Africa. It has got a long neck and beautiful eyes. Napíšeme zvíře na tabuli a pokračujeme s dalším zvířetem. Nakonec necháme děti popisovat zvířata napsaná na tabuli.
3. hra ve dvou týmech: jeden z týmu jedna jde k tabuli, stojí zády u tabule, učitel napíše na tabuli zvíře (dítě to nevidí) a tým jedna má popsat dané zvíře. Do minuty musí uhádnout, získává bod
